

I understand that my final acceptance into this L1 course is contingent upon me completing the online Base Course (including passing the online examination) prior to attending this L1 Course. The Online Base Course is available at [www.bspts.net](http://www.bspts.net). NOTE: You may REGISTER for L1 course prior to completing the Online Base Course but you must COMPLETE AND PASS the Online Base Course prior to the start of the L1 course. Failure to do so will result in cancellation of your L1 course attendance (see cancellation policy below).

I understand there will be a written exam at the end of Level 1. At the end of Level 1 you will get information about how to prepare a Case Report Paper and Presentation to get access to Level 2.

I understand that the L1 course is the first of a 3-part course program through BSPTS. Advancement to subsequent courses is contingent on passing competency evaluations. The maximum number of trials for passing the competency evaluation is three. If not passing after 3 trials, it will be obligatory to repeat the previous level course (offered at 50% cost reduction). Only two repetitions of each course level are permitted.

The minimum time to finish BSPTS certification from Level 1-3 will be 21 months. Minimum time between Level 1-2 is 9 months, and from level 2-3 is one year. The maximum time to finish BSPTS certification from level 1-3 will be six years. In the event a student does not finish the 3-level certification program in six years, it would be necessary to restart the course series. Full course information can be found at [www.bspts.net](http://www.bspts.net)

I agree that I will not use the L1 material to train other physical therapists in treating scoliosis.

I agree to sign the BSPTS Ethics of Practice Agreement upon completion of the L1 course.

I agree to the course cancellation policy below.
